KBA Training Centre Pte. Ltd of Singapore and LBJ Maritime Inc of Lake Charles, Louisiana USA are pleased to announce a strategic alliance for the Americas.

KBA Training Centre Pte Ltd (KBAT), a leading IMCA accredited training centre located in Singapore, has signed a partnership agreement with LBJ Maritime Inc to develop the first USA-based, IMCA-accredited, training centre. KBA Training Centre Pte Ltd and LBJ Maritime Inc are committed to provide high-quality, industry-standard training for diving Supervisor (Air and Mixed Gas), Life Support Technicians and Safety management courses in both Asia and the United States. Our training and consultancy services will continue to provide the quality of services that have become a trademark of KBAT and KB Associates Pte Ltd, who are ADCI members based in Singapore.

LBJ Maritime Inc is committed to build on KBAT's exemplary performance, reputation and success. President of LBJ Maritime Inc, Larry Janicek has successfully risen through the ranks of the commercial diving industry over the last 29 years and this wealth of experience will provide the excellent platform for the companies services.

Together KBAT and LBJ Maritime Inc have a mission to deliver a training experience that will provide knowledge that will lead to accredited National and International certification which will enable competency, development and growth within the offshore oil and gas industry.

Our first IMCA ALST, Air & Saturation Supervisor course will be held in Lake Charles, LA from March 30 through April 9th, 2009. Enrollment forms are attached and also available at <http://www.lbjmaritime.com/>. Supervisors wishing to attend the course are required to obtain pre-approval from IMCA. We need a minimum 3 to 4 weeks for this process. ALST course does not require pre-approval.

Questions can be sent to training@lbjmaritime.com.
